February Short, But Busy

Golf Tournament Set

The calendar may tell us it's still winter, but the hardy band of enthusiasts who are counting the days 'til we can chase that little white ball down broad, green fairways, are getting ready for our **16th Annual Golf Tournament** on **Thursday, May 27,**

We welcome anyone who wants to work on this event. Check the school calendar on the web for future dates and times of meetings or call the Development Office for information.

Prom Fashion Show Underway

On March 22nd, the young ladies of Mt. Alvernia (and their escorts) will, once again, present a parade of prom fashions to benefit the Scholarship Fund.

The moms and dads on the planning committee have been hard at work and are determined to make this the most profitable show ever.

Mark your calendars now and plan to support this fun and very worthwhile event.

Don't Forget Annual Fund

"Tuition makes the ordinary possible; Development makes the extraordinary possible."

The Annual Fund Drive is in full swing. This appeal has the potential to generate the greatest amount of money to make the *extraordinary* possible. Please consider what the Mount Alvernia experience means to your family and how you can help. Dig out the envelope you received in the mail, request a new one or just send in your gift in any envelope you have, but please send it in. Your gift of any amount will be welcomed and will really help make a difference.

The fund drive runs until June 30th.

Sue Needs Help

There are still a couple of items from the Tree Sale (Santa's Chair and the display board for the decorated wreaths) that have to be moved from the gym to the Pine Street Room. If you have a truck or van and can help, call Sue. We can also use another pair of hands to help.

Winter Windfall Almost Over

As the Winter windfall draws to a close we'd like to thank everyone who purchased and sold calendars. Congratulations to the winners.
