Off in December

Your Christmas Tree is Waiting

On Friday morning, Dec. 4th, 225 trees will be dropped off in our parking lot, henceforth known as "tree land".

We all own these trees!!

With the help of your fellow parents who have volunteered to participate in our annual Christmas Tree Sale, and your cooperation, they should all have good homes by Sunday night at 6 PM.

Please plan to come by some time during the weekend and share in the holiday spirit. Take home

your beautiful, premium grade balsam fir tree which has been grown, pruned and tended on a tree farm in Maine and will arrive, freshly cut, in time for our sale.

Tree land will be open on Saturday from 10 AM to 6:30 PM and on Sunday from 10 AM to 5:30 PM.

We will also have double faced wreaths in a variety of sizes. You may even ask our team of designers to custom decorate your wreath. Rounding out the tree/wreath part of the sale

will be bows, bows, and bows.

Be sure to come inside where home made goodies will be offered at our Bake Sale and the opportunity to win many lovely prizes awaits. You might take home the "Principal's Pillow", the lottery Christmas Wreath, or any one of a number of wonderful theme baskets.

Enjoy a visit with Santa on Saturday afternoon and have your picture taken with him.

Bake Sale Needs You

Don't forget, we are counting on every family to participate in the Bake Sale part of the Tree Sale.

You should have received information giving you the details. (If you need further information please call:

Barbara Donnelly
(617) 327-0675

Baked goods may be delivered to School on Friday, **Dec. 4th**, or Saturday morning, **Dec, 5th**.

Santa Needs Help

On the weekend of the Tree Sale (Dec. 5 & 6) we need the help of our girls to attract customers to the sale.

This is a wonderful opportunity for families to work together and to get in the Christmas Spirit.

Sign up sheets are posted on the bulletin board outside the Development Office.
